

ASSOCIATIONS GIVE SEAL OF APPROVAL

THE TRAVEL CLUB hopes to work with all the leading travel industry associations, offering discounts to their membership up to 25 September prior to the official opening.

Tom Nutley, the Club's Managing Director said: "I want to make 4 St. James Square the centre for the industry, a place to meet colleagues, hold meetings, arrange functions or just enjoy the facilities, the swimming pool, gym, squash court or the fine dining and of, course, the bars.

"But best of all, a place you can call your own, where you know you will meet like minded people who you can share you problems and challenges with or just catch up on the latest gossip.

"Not just for people based in London, with 49 bedrooms its ideal for industry colleagues based both outside London and internationally.

"In these difficult economic times, the Club provides an affordable venue within a stones throw of Piccadilly for the whole industry to enjoy."
